DISCUSSION

Workforce Innovation and Opportunity Act (WIOA)

On July 22, 2014, the WIOA, the first legislative reform of the public workforce system in 15 years, was signed into law. WIOA supersedes the Workforce Investment Act of 1998 and amends the Adult Education and Family Literacy Act of 1998, the Wagner-Peyser Act of 1933, and the Rehabilitation Act of 1973 and is designed to strengthen and improve the public workforce system and put job seekers back to work by helping workers acquire the skills employers need and help employers access the talent pool needed to compete in a global economy.

WIOA mandates that the Chief Local Elected Official (CLEO) designate a Local Workforce Development Board (WDB) to set policy direction and to oversee WIOA funded operations. This one-stop delivery system of employment-related services is the cornerstone of the WIOA and offers multiple local services to adult and dislocated workers, youth, and employers. Each Local Workforce Development Board is required to have a comprehensive one-stop job center providing employment-related services with numerous WIOA mandated partners. As of July 2013, the State of California joined a national campaign to brand these one-stop programs as "America's Job Center of California" sites. Mandatory supports at the America's Job Center of California (AJCC) sites consist of employment services (i.e. assessment, tutoring, mentoring, etc.), job training and education programs for job seekers, and comprehensive employer services including resources for placing job orders and obtaining referrals, labor market data and business assistance.

WIOA legislation also mandates that the agencies that provide one-stop services at the AJCC sites enter into a Memorandum of Understanding (MOU) in order to identify the responsibilities, services, and resources provided by each of the agencies. On June 21, 2016 (Board Item #29), your Board approved the MOU with various partner agencies. At that time, the Employment Development Department (EDD) had not identified the individual with signatory authority for Wagner Peyser services (services provided by the EDD to employers and job seekers). To comply with the State mandated requirement to submit the MOU by June 30th, 2016, the initial MOU was processed without the Wagner Peyser signature page from EDD. This item completes the MOU process with the final signature page for Wagner Peyser from EDD attached for Board approval. The MOU shall be effective upon execution of all parties and shall remain in effect for three years, at which time it will be reviewed for any substantial changes. This MOU may be amended at any time with the approval of the local WDB, the AJCC partner agencies and the CLEO.

The MOU includes the following partners and the WIOA programs they represent:

- San Luis Obispo Department of Social Services (WIOA Title I Adult, Dislocated Worker, and Youth and Temporary Assistance for Needy Families/CalWORKs)
- Cuesta College (WIOA Title II Adult Education and Literacy and Carl Perkins Career Technical Education)
- California Employment Development Department (WIOA Title III Wagner-Peyser, Trade Adjustment Assistance Act, Veterans and Unemployment Compensation)
- California Department of Rehabilitation (WIOA Title IV Vocational Rehabilitation)
- PathPoint (Title V Older Americans Act)
- Center for Employment Training (Migrant Seasonal Farm workers and Community Services Block Grant)
- Housing Authority of San Luis Obispo County (Housing & Urban Development, Family Self-Sufficiency Program)

OTHER AGENCY INVOLVEMENT/IMPACT

This recommendation is made by the WDB Executive Committee, which approved the MOU at its June 8th, 2016 meeting.

FINANCIAL CONSIDERATIONS

There are no financial considerations associated with this item. This MOU under the Workforce Innovation and Opportunity Act program is a relational MOU.

RESULTS

Approval of the MOU will allow the WDB and County to comply with federal and state mandates requiring partners of the AJCC one-stop system enter into MOUs in order to document their shared responsibilities as well as the services and resources provided by each agency.
